Hon. William J. Casey  
Director  
Central Intelligence Agency  
Langley, VA 22101

Dear Hon. Casey:

MITEK Systems, Inc. is pleased to announce a new TEMPEST Laser Printer, Model 110T Plus, with enhanced graphics and downloadable fonts. Priced at \$6,980, this product operates at eight pages per minute with a variety of PCs and has already established itself as a durable, high performance, secure systems output device.

Customer service for remedial maintenance and technical support is available in several forms, appropriate to operational requirements. Return and repair service is provided on the bases of time and materials or at an established monthly rate. We are now also offering modular replacement service to effect prompt repairs without impairment of TEMPEST integrity. Depot and on-site maintenance plans, as well as training and spare parts for customer self-maintenance, are offered in accordance with user requirements.

MITEK Systems, Inc. is based in San Diego, California, with sales/support offices there, in San Antonio Texas, and in Rosslyn, Virginia. We welcome the opportunity to provide you with TEMPEST laser printers and a growing product line of secure and non-secure systems peripherals.

Sincerely,  
MITEK SYSTEMS, INC.
